SEVENTIES SILHOUETTE

Shift Saturday night fever to Monday morning by choosing flared silhouettes that take the stuffiness out of masculine tailoring. BLK DNM blazer, $2490, and trousers, $990. H&M shirt, $35. Eres "Parfumee" bra, $640. Earrings stylist's own.

back *to* work

Nine-to-five is back, but with a fashion edge. Think sharp tailoring with bold accessories – and don't be afraid to show your stripes with your spots.
