BOYS ON THE BRINK

This season's new faces are ready for their close-up. Curated by models.com, the leading fashion-industry model database, and with particular help from their Senior Features Editor, Rosie Daly, ICON presents young male models poised to define the future.We asked them about the films and screen legends that shaped their style. In fashion, as in cinema, great characters leave a lasting and influential impression.

What film or TV character do you look at as a style inspiration or icon, and what is it about their style that you love or loved when you were younger?

Lyle Menendez from "Monsters" on Netflix. I love the classic smart look with polos, shirts, shorts, trousers, and jumpers, with sunglasses. I think it looks very chic.
