A Spiritual High
A Phoenix Rising - Liberty, strength and the notion of infinity are at the heart of Louis Vuitton's 'Spirit' High Jewellery collection. The Maison's artistic director of Watches and Jewellery Francesca Amfitheatrof has taken the mythology surrounding mythological creatures and transported them into the 21st century and into the vocabulary of the Louis Vuitton woman, a woman of strength, energy, and optimism.

Grace necklace in 18K white gold with diamonds, *Destiny* earrings in 18K yellow gold with diamonds, platinum and rubies, both *Spirit Collection* by LOUIS VUITTON, All clothing LOUIS VUITTON
