# LET'S GO OUTSIDE

GUCCI AND THE NORTH FACE  
PRESENT THEIR SECOND  
COLLABORATIVE EFFORT  
FOR SPRING 2022

Fashion's beloved dynamic duo returns just in time for spring with Gucci's second chapter in partnership with The North Face. Delightfully dynamic and perfectly playful for the season, we're stepping out in this collaboration from head-to-toe—because when Alessandro Michele goes sporty, what else is there to do? The cutting-edge collection celebrates the whimsical, luxurious core of Gucci with the versatile and functional spirit of The North Face, seeking a stretch of self-discovery and otherworldly pleasure.

Vibrant garments, accessories, luggage, and shoes—including plush padded jackets, warm hiking boots, and stylish backpacks—make a perfect spring wardrobe.

As like a dream of sunny blue skies and rolling green hills, the soft and playful of the collaboration is evocative of what Gucci and The North Face bring to mind and brighten the season.

Tonally, the season's whimsical spirit is a distinctive one—purple, green, and tangerine and a variety of botanical motifs are shared in the collection monogram go hand-in-hand with the return of the iconic North Face logo. From The North Face fused with Gucci archive prints, the spirit of nature makes a luxurious awakening in spring with Gucci and The North Face. It's time to step outside. **TRISHNA RIKHY**
